

## Steps to Obtaining an RCMP Volunteers Background Check

- RCMP provides people volunteering in Canada with free background checks.
- These checks are normally around \$50 and there are a lot of companies who will pop up first in the lists when you google background checks that charge a fee to do it.
- These checks are carried out by your local police service so you will need to navigate to their website.
  - Eg, if you are based in Ottawa, you head to the [Ottawa Police Service Webpage](#).
- You will need to provide a letter from AFL Canada in order to get the volunteers check free of charge.
  - AFL Canada can provide you with that letter, email [development@aflcanada.com](mailto:development@aflcanada.com) to get it started.
- From there, follow the prompts/questions/etc on page and you should have no problems!
- Once submitted, the background check takes roughly a week to complete.
- If you have any further issues, reach out to [development@aflcanada.com](mailto:development@aflcanada.com)
